

## XI - NOVEMBRO

## "Falso Pescador" - "False Fisher"

Instinto que rasga entranhas,  
 Tu és selvagem e bruto  
 Corroe tua matéria indômita  
 Que ao menos ousa pensar  
 Foste ao rio na piracema  
 A abundância devastar  
 Que desventura!  
 Pois brevemente a fome  
 Há de te aprisionar.

(Anita Cimirro)

Disembowling instincts,  
 You are a savage beast  
 Biting into your own untamed matter  
 At least you dare to think  
 By going to the river in the spawning season  
 You killed most of the fishes  
 What a misfortune!  
 Because soon the famine  
 Shall lock you up.
